Dear Louis

Thank you for your email dated 23 May 2018, requesting information about cycle lanes.

What is the legal status of the marked cycle lanes in the section of Richmond Road between Warnock Street and Surrey Crescent?

Response: The legal status of the cycle lanes in the section of Richmond Road from Surrey Crescent to Warnock Street is that of special vehicle lanes reserved for cycles. These cycle lanes were created by way of a resolution pursuant to clause 10 of the Auckland Transport Traffic Bylaw 2012 passed by the Traffic Control Committee. We have attached a copy of the resolution report for your reference.

What instructions, if any, have Auckland Transport given to Parking Enforcement Officers working in the area named above with respect to what action should be taken against vehicles that are parked in or blocking a cycle lane?

Response: No instructions have been given to Parking Officers because the cycle lane project is not yet complete.

Since the installation of the cycle lanes in late 2017, how many infringement notices have Auckland Transport issued in the area named above for the following offences:

Parking on a broken yellow line or other area designated as no stopping - Rules 6. (1) and 6.4(4) of the Land Transport (Road User) Rule 2004.

Between 1 November 2017 and 25 May 2017 six infringement notices have been issued at this location for parking on broken yellow lines.

Parking in a special vehicle lane - 6.6 of the Land Transport (Road User) Rule 2004.

No infringement notices have been issued.

We trust the above information has addressed your request however should you believe that we have not dealt with your request appropriately, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman and seek an investigation and review in regard to this matter.
