Dear Annie

REQUEST FOR OFFICIAL INFORMATION

Thank you for your request for official information received 27 July 2018. You requested the following information:

- ***“Can you tell me please does Blair Devlin have a personal association with the planner who submitted the fraudulent application?”***

Council does not hold information about Blair Devlin’s personal relationship to your neighbour’s planner. We are unable to release information that we do not hold.

Please be advised that we consider your correspondence to us in regards to this matter, more specifically the conduct of your neighbour and the Council allowing a consent holder to breach their consent, to be potentially defamatory. We neither accept nor condone these statements but caution you to refrain from such references in any future correspondence with Council.

We trust this response satisfactorily answers your request

Kind regards
Shelley Dawson

Dear Tony Avery,

After I accused Blair Devlin of nepotism in an official complaint to Council all connections on social media between him, my neighbour and the planner were hidden or disabled.

Why would a Council employee divulge information contained in a confidential complaint if he wasn't concerned about public knowledge of his personal associations.

There is 800m3 of fill under the buildings alone on my neighbour's section. Council have a fill certification report showing testing on the engineered fill was done to 1.6m. The CFMA planner who submitted the resource consent application stipulated earthworks were not applicable.

Can you tell me please does Blair Devlin have a personal association with the planner who submitted the fraudulent application.

Yours sincerely,
