Transfer of request for official information to the Environmental Protection Authority (EPA)

Dear Mr Carter

Thank you for your request for official information, received on 13 June 2018 asking:

We request that the Authority advise the type of exposure limits; the value of exposure limits for sodium fluoroacetate 1080 under Section 20a Hazardous Substances and New Organisms (Approvals and Enforcement) Amendment Act 2005

The information you have requested is more closely associated with the functions of the EPA. As a result, the Ministry of Health has decided to transfer your request to the EPA under section 14(b)(ii) of the Act.

You can expect a response to your request in due course.

You have the right, under section 28 of the Act, to ask the Ombudsman to review my decision to transfer your request for information.

Yours sincerely
