Hi [redacted] if I could have 30 to 35 minutes for the talk and then 10 minutes for questions.

If we could have it before a mid-morning or afternoon break or before lunch that will be me a chance to ask any other questions

Could you forward to me the contact person for when you are away so I can make sure the space can be set up for sound and vision OK off of my laptop or a USB?

Thanks

Thanks [REDACTED]

That's great. I am sure this topic will be of interest and people will want to ask a few questions. How much time would you like me to schedule in the Agenda for you?

Cheers

Hi [REDACTED] use as much or as little of this as you would like

[REDACTED] is the co-director of Thompson & Clark; a security risk management and corporate intelligence agency founded in 2003.

[REDACTED] will present a personal account of his role [REDACTED] during the November 2010 Pike River Coal Mine disaster and provide a visual insight into how he helped provide clarity in a crisis and talk about the importance of developing pre-incident relationships.

Hope this helps
