Dear Mr Ross

Local Government Official Information and Meetings Act 1987 (LGOIMA)

CAS-801327-N1N2Q1

We refer to your request for official information to KiwiRail dated 21 June 2018. Part of your request was transferred to Auckland Transport (AT) for a response.

1) Which level crossings in Auckland would be funded from the RLTP will be grade separated and through what time period will those level crossings be removed.

RLTP funding will be utilised to develop the programme for level crossing removal. Our aim is to remove, via grade separation or closure, all AT grade crossings within the electrified area. Whilst there is currently, insufficient funding available to achieve this, early funding will be prioritised towards high-risk crossings and those where opportunities arise to coordinate with other planned works.

We trust the above information has addressed the matters raised however, should you believe that we have not responded appropriately to your request, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman to seek an investigation and review in regard to this matter.

If you have any further queries, please contact Transport on (09) 355 3553 during business hours, quoting Local Government Official Information request number CAS-801327-N1N2Q1.

Yours sincerely
