Dear Chris

Response to your request for official information

Thank you for your request of 26 June 2018 under the Official Information Act 1982 (the Act) for:

"I would like to request how many community pharmacies in Auckland have closed in the last 10 years.

I would like to know when each pharmacy closed.

Also, I would like to know in which suburb each pharmacy was located in Auckland".

A list of pharmacy closures for the Auckland, Waitemata and Counties Manukau DHB regions between January 2008 and July 2018 is provided in the Appendix. This information has been extracted from the Ministry's pharmacy licensing database.

The table provides the licensee names (pharmacy operating companies), trading names, date of closure, suburb, and DHB region.

I trust this information fulfils your request.

Yours sincerely

Chris James
