Dear Alex

Re: Official Information Act

Thank you for your email on 12 August 2018, requesting the following information from Crown Irrigation Investments Limited (CIIL) under the Official Information Act 1982 (the Act):

- ◊ All information relating to, or provided by, Thompson and Clark Private Investigations between the years 2014 – 2018 held by your agency.

We have considered your request and our response is set out below:

- ◊ CIIL has not had any interactions with Thompson and Clark Investigations Limited (TCIL), or its associated entities.
- ◊ CIIL did receive a letter from Doug Martin, Inquiry Head, on behalf of the State Services Commission on 23 July 2018. This relates to the current Inquiry underway into the use of external security consultants by the state sector and requested information on any interactions between CIIL and TCIL or any other external security consultants. Following consultation with the Inquiry, this letter is being withheld under Section 6(c) of the Act, as making this information available would likely prejudice the maintenance of the law, including the prevention, investigation, and detection of offences, and the right to a fair trial.
- ◊ CIIL's response letter, advising that CIIL has not had any interactions with TCIL or its associated entities, is attached as Appendix 1.
- ◊ Please note that information has been withheld from this attachment in order to protect the privacy of natural persons, pursuant to Section 9(2)(a) of the Act.

Under section 28(3) of the Official Information Act 1982, you have the right to seek a review of this decision from the ombudsman.

Yours sincerely
