Brett W
fyi-request-7833-468f96e6@requests.fyi.org.nz

Dear Brett W

Thank you for your email of 27 August 2018 to the Ministry of Business, Innovation and Employment requesting information under the Official Information Act 1982 (the Act). This request has been transferred to WorkSafe New Zealand. You have asked:

May I please request the Test Certificate and Display Plan/worksheet for the Springbank School Fireworks Extravaganza in Keri Keri (sic) that was done in November 2017.

Your request has been managed in accordance with the Official Information Act 1982 (the Act).

WorkSafe New Zealand does not hold the test certificate on the display plan/ worksheet for this display. These are held by the parties that applied to a test certifier for the display and to whom a certificate would have been issued. The test certifier will have retained a copy of the certificate and the display plan/ worksheet.

Therefore your request for the test certificate is refused under section 18(g) of the Act on the grounds that WorkSafe does not hold the information requested and I have no reason for believing the information is held by or more closely connected with the functions of any other agency subject to the provisions of the Act.

Test certifiers are required to register all test certificates they have issued. We were able to locate information for the Springbank School Fireworks Extravaganza in Kerikeri held November 2017. Please find the information entered into the register attached.

You have the right to request a review of this response by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you require any further information please contact uia@worksafe.govt.nz.

Yours sincerely

Simon Humphries
Deputy General Manager
Investigation and Specialist Services

Information entered by the test certifier into the test certificate register [2017]
