

Q1 What is your idea for the BMX track?

Answered: 6 Skipped: 0

#	RESPONSES	DATE
1	I think the Napier Concrete Pump track is the way to go. It's a smoother surface than asphalt and is estimated to last longer.	2/23/2018 3:35 PM
2	Concrete bike track, grass with tables for picnics, small playgroup with equipment for children.	2/6/2018 11:19 PM
3	Like Napiers skatepark	11/30/2017 10:07 PM
4	Black pump park	11/30/2017 7:20 PM
5	Keep it as a BMX pump track, but make it like the Raglan asphalt track so that it lasts a long time (the napier one may last longer, but it's not so fun to ride).	11/30/2017 2:38 PM
6	Asphalt Track for all ages to enjoy.	11/30/2017 8:22 AM

Q2 Any other ideas for Marfell Park?

Answered: 5 Skipped: 1

#	RESPONSES	DATE
1	A toilet in the new community space is really needed now given it is a destination place for many and there are no public toilets for the whole of Marfell, severely limiting the holding of public events there and in the park below.	2/23/2018 3:35 PM
2	Community garden?	11/30/2017 10:07 PM
3	Black pump park	11/30/2017 7:20 PM
4	Community area, and other sports should be catered for here too: basketball, baseball/softball, football (in its increasing popularity - check out some of the Fusbal court styles from Brazil, they're small and encourage high skill and footwork, as well as team work). A small skate park (like oakura or okato) would be good here too, to cater for all the suburbs on this side of town.	11/30/2017 2:38 PM
5	Drain the field properly so it is useable. I'd love to have picnics and bring our son down there, but you sink in about 10cm into a bog like muck. It's really disappointing because it's so beautiful down there and just a walk from our home. A sports field, and a public toilet are a must to attract others to use the space.	11/30/2017 8:22 AM
