Dear Mr Luke

**OFFICIAL INFORMATION REQUEST-JUSTICES OF THE PEACE (Ref: 71385)**

Thank you for your email of 12 October requesting information on Justices of the Peace in the Auckland Central electorate.

There are currently 76 Justices of the Peace listed as resident in the Auckland Central electorate.

The birth date age group extends from the oldest, born in 1934 to the youngest, born in 1971.

Ethnicity is broken down as; 52 European, 12 New Zealand, 4 Asian, 2 Maori, 3 Indian and 3 not specified.

The gender balance is; Male 44, Female 32.

There is no data on any second languages they may speak.

Justices of the Peace are not categorised as such, but I can advise that there are two who are judicial justices, sitting in court.

Yours sincerely

Jeff Orr  
Chief Legal Counsel
