Hi Section 9(2)(a)

This is where I've got up to with the annual report update. Hope that's a useful start at least, there are still several things in there that I'm unsure of whether they get deleted or updated.

Hi [Section 9(2)(a)]
See email below. You may have already had some input to the Annual Report material, but would you mind casting your eye over this email from [Section 9(2)(a)]. I've noted a few items I think are missing, however some could be seen as being captured indirectly in the comments prepared by [Section 9(2)(a)].
Let me know if you need my help at all.

Hi Section 9(2)(a)

I'm currently working on the 2018 Annual Report and there's a section in it about our commitment to being a good employer. I've tried to update the information, but as I am new and not so close to the internal activities that taken place I'm hoping you and the wider P&C team might be able to assist me!

Below is the content from the 2017 report. The red text is information needing verification or updating. The black text is what I've updated based on information I've been able to find. Out of scope
