Dear Ms Robinson

Thank you for your information request, received by the Council on 1 June 2013, in which you requested the following:

“a breakdown of rates billing categories for the 2011/2012 financial year within Wellington City as follows:

- a) by number of ratepayers/properties in each category;
- b) by dollar amount of rates collected in each category.”

I have been asked to provide you with a response.

The attached spreadsheet lists the following information:

Local Government Code (category)
Number of Properties
Total Value of Rates Assessed

(The figures provided are GST inclusive and apply to Wellington City Council rates only, not Regional Council rates)

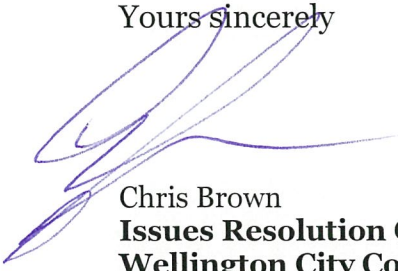

This information is listed for each of the Local Government Codes.

For a description of what each of the Local Government Codes stands for, please follow this link:
