Direction to issue a label has been given on: 08 August 2000

.....

SUMMARY OF THE REASONS FOR DECISION:

This publication is a DVD version of the 35mm film of the same title classified by the Office of Film and Literature Classification (Classification Office) on 10 February 2000, OFLC No. 108. The classification of that film was objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years, with the descriptive note 'Contains violence, offensive language, drug use and sex scenes.'

The DVD contains a number of other components such as trailers and deleted scenes. However, these additional components do not affect the classification given to the 35mm film.
