Peter Gordon
fyi-request-9136-3a19fa1b@requests.fyi.org.nz

Dear Mr Gordon

Local Government Official Information and Meetings Act 1987 (LGOIMA)

CAS-948889-W5Y9K5

Thank you for your request for information dated 26 November 2018 on whether Beach Road, Papakura had been upgraded/re-sealed recently, due to complaints from residents of vibrations relating to traffic on the road.

The carriageway section of Beach Rd (Papakura) between Great South Rd and Elliot St was rehabilitated in the 2016/2017 financial year due to the condition of the pavement. As per the records available, the previous carriageway surface had extended lengths of fatigue cracking with fines pumping and rutting through most areas. There were a number of maintenance patches but they had also failed and had fatigue cracking.

Sealed pavement rehabilitation is required where the pavement layers are reaching the end of their design life and are showing signs of deterioration. Pavement rehabilitation, rather than resurfacing, then becomes the best option when considering the whole life costs of the pavement.

We were able to locate one complaint on our records lodged on 22 September 2016 regarding vibrational issues along Beach Road, Papakura. Please note that minor redactions have been made to the attached *Dispatch 72038_Beach Rd LGOIMA_Redacted.pdf* under section 7(2)(a) of the LGOIMA, as withholding of the information is necessary to protect the privacy of natural persons.

Review Rights

We trust the above information has addressed the matters raised however, should you believe that we have not responded appropriately to your request, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman to seek an investigation and review in regard to this matter.

If you have any further queries, please contact Auckland Transport on (09) 355 3553 during business hours, quoting Local Government Official Information request number CAS-948889-W5Y9K5.

Yours sincerely

Alan Wallace
Manager, Regional Road Corridor Delivery
