Subject: On being a halls student at university

Hi Gerard and Annette,
The piece is excellent, thank you so much.
I have done a light edit to get the word down a little (it's now at 648) – just trying to reduce the opportunity for the media outlet to do the editing.
I haven't changed the sense of anything.

Annette, how would you like to be described after your name?

Thank you again.

Regards
Katherine

Hi Gerard

I think what you have written is good. I've abbreviated it - to 680 words - hope they'll accept that. See what you think - attached.

The word limit is very restrictive given all the bases we want to cover.

Sincerely

Annette L. Beautrais PhD

Kia ora Annette

Our comms team have had an agreement that we can publish an opinion piece under both of our names on the Stuff Website (approx 600 words) but we need to get it to them by early tomorrow afternoon. It would be published on Thursday .

I have had a go at putting some ideas on paper. Its a bit rough and I am sure you will have lots .

It is also too long by far .

Thoughts?

Gerard
