Dear Mr Dellow

Thank you for your email of 14 December 2018, requesting information about items available for purchase to prisoners through the prisoner canteen scheme. Your request has been considered under the Official Information Act 1982 (OIA).

You requested:

*...a list of the approved items. If these items vary by prison or facility, I request that the list broken down by prison or facility. If the items vary by security classification, I request that items unavailable to a particular security classification are marked as such.*

As you are aware, in addition to the meals provided in prison, prisoners can purchase goods through the Prisoner Canteen (P119). The goods on the P119 list include food items, hygiene and sanitary products as well as stationery and other miscellaneous items. Please see attached Appendix One for the current P119 list.

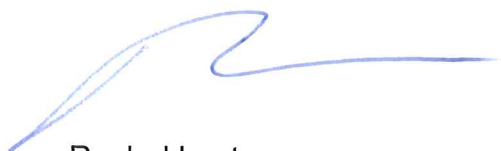

The P119 list is mostly uniform across all prisons. However, items classified as female sanitary products are not available to prisoners in male prisoners in the first instance. Should a prisoner in a male prison wish to purchase one of these items, they can make a request to do so.

In addition, prisoners accommodated in high security, remand, or youth units are prohibited from purchasing razor blades. Instead, they are given the opportunity each day to request the use of a single-use disposable safety razor. All disposable safety razors issued to these prisoners are collected by prison staff after use.

More information regarding this policy is available on our website at:

I trust the information provided is of assistance. Should you have any concerns with this response, I would encourage you to raise these with Corrections. Alternatively you are advised of your right to also raise any concerns with the Office of the Ombudsman. Contact details are: Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely
