Attention Owen Graham

Dear Owen

REVOCATION OF PART EMERSON STREET RECREATION RESERVE

I refer to your request of 19 July to revoke the reservation over a part of the Emerson Street Recreation Reserve.

I confirm my verbal advice that approval has been given to this request under section 24 Reserves Act 1977.

Council should now arrange to have the land surveyed in order to Gazette the revocation. As discussed Council can undertake the Gazettal actions. Please provide a copy of the Gazette notice in due course for our records.

An invoice for our costs will follow.

Regards

Ken Stewart
