Minutes:

After the opening prayer DC Superintendent PENNY opened the forum by having a round of brief introduction of all present.

DC continued elaborating the strategic intent of NZP as a whole and specifics for Waitemata District.

Regarding intel presentation Mr. RAMAN stated that it will be good to know specific trends especially around money laundering and Terrorism. Does NZ has real threat of terrorism? Is it soft or extreme? Mr. RAMAN shared his concern that more radical groups and their families are arriving in NZ e.g. Tamil Tigers/ Khalistan Movement. ISIS. New political leaders may unleash some threats for NZ. Invite Intel to present on Radical Groups, Terrorism and Money Laundering specific to NZ. **Action Point – Acting Insp Stefan McIntyre**

DC gave update on Gandhi Nivas (GN) by expressing the need of GN in our District. She said that there was no facility in Auckland City or Waitemata Districts for men who are issued a Police Safety Order, this led them to sleeping either in cars or park benches. This makes the victims very vulnerable because offenders can go back to the victim at any time. Auckland City and Waitemata Districts have a combined population of approximately one million people. On average there are 48 Family Harm calls every 24 hours. 200 Police Safety Orders get issued every month out of which 7% are breached. The Te Atatu house has only 8 beds. The service is open to all ethnicities. The advisory board members endorsed the challenges and offered their support. Front line staff training started on 12th of March. Culturally appropriate councillors are appointed for the counselling service. Sahyaata the service provider at GN is broadening their connections with the wider community.

Sergeant Terry Lee gave presentation on his journey as a police officer.

Board member Joanna Jensen wanted to know that how she can report crime/information around Korean community to police as in past Constable PARK was her contact point. **Action Point – Todd Bartlett**
