Tēnā koe

I refer to your email of 28 February via the FYI website where you have expressed interest in improving cultural competency of workers in social, education, health, and justice services.

You have requested the following information under the Official Information Act 1982 (OIA):

- "How can I contribute?"
- What might be the rate of pay I can charge for 1 hour of individual supervision?
- For a group supervision?
- Currently offer is \$120 an hour for individual supervision.
- And \$120 an hour for group supervision of up to 10 psychologists?"

You have requested my opinion on an operational matter under the OIA. Please be aware that the Office of the Ombudsman has the following guidance: "for the OIA to apply, the information must be held by the agency concerned... there is no obligation on an agency to form an opinion or create information to answer a request". Your request is therefore declined in accordance with section 18(g) of the OIA as the information requested is not held.

Thank you for taking the time to write.
