

Q. Could you please provide an estimate how many vehicles traveled across this stretch of State Highway during this time (preferably by year and vehicle type).

Ran the Site Summary Report for the closest continuous site = 07300146 at Arthurs Pass
 Summary Type = AADT (7 Day) (Annual Average Daily Traffic)
 This provides count and classification data back to 2001
 For earlier years only the counts were loaded. No classification data is available.

Location of Site 07300146 - Single Loop Count is located outside Dept of Conservation at Arthurs Pass

ANNUALISED TOTAL VEHICLES
