Dear Oliver,

Request for Official Information

Thank you for your email, received by the New Zealand Customs Service (Customs) on 15 March 2019, which makes a request for the following information:

"I am seeking the monthly volume data of imports and exports of electric bikes, electric scooters and other 'personal electric transport devices' including hover boards, electric skateboards etc.

I'd like the data in both \$ value and total units on a monthly basis for the last 5 years."

Your email has been treated as a request for information under the Official Information Act 1982.

In response, please find attached spreadsheet titled 'OIA 19-084 Lightweight Electric Vehicle Imports & Exports' which contains the data you have requested. While the information is considered correct at the date it was extracted on 18 March 2019, it may be amended or reviewed at any time.

If you have any queries in regard to this response, please contact the Correspondence, Reviews and Ministerial Servicing Team: OIA@customs.govt.nz.

Please note that Customs proactively releases responses to Official Information Act requests on our website. As such, we may publish this response on our website after we have sent it to you. Your name and contact details will be removed.

Yours sincerely,

Terry Brown
Group Manager, Border Operations
